## Directors Hair Apprenticeships

The apprenticeship offered at Directors hair is a 2 year, work based, fixed term contract. This is a full time training position (39 hours per week) in which you can achieve both NVQ Levels 1 & 2.

The training will be provided by Directors Hair and the NVQ training will be conducted by C.R.C. At the end of your training contract, you may be offered the opportunity to become a full time Stylist/Technician. If you are offered a full time position you will be asked to undertake the Directors Hair pre-floor test before you can begin with your own hairdressing column.

Once fully qualified to Directors Hair own high standards, staff are given the opportunity to continue their training to achieve NVQ Level 3. We also offer training opportunities both in-house with Senior Stylists, Product Manufacturers e.g. Wella, Redken, Racoon, etc who offer courses with award winning celebrity stylists.

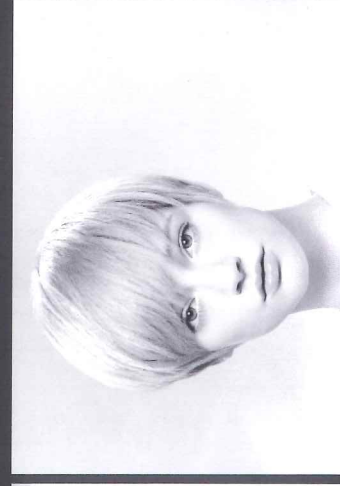

## What we expect from our Trainees

Here at Directors Hair we provide the highest standard of training. In return we expect your commitment to quality and real dedication throughout your training apprenticeship.

We also expect the following:

- High standards of personal appearance
- Excellent punctuality and attendance
- Good conduct (being polite and courteous to both clients and staff members at all times)
- Carrying out your training, and any tasks given to you, to the best of your ability
- Your provision of suitable models for training

## Models

All trainees are responsible for providing their own models, a must for all practical training sessions. During your trainee apprenticeship it is anticipated that you will need over 100 models in order for you to reach your full potential. Without models it will be impossible to reach your full potential and meet the obligations of model procedure.

In return, our aim is to motivate and inspire you, give you the skills to reach your highest level possible and achieve your maximum professional growth. We will offer a clear career path and the opportunity to use the skills you develop in our salon.

If you are interested in applying for a trainee position you can call us for an interview. Alternatively you can send us your CV with a covering letter.
