

ALIS for Parents v1.6

The Anglian Learning Intranet System (ALIS) offers an increasing number of features to members of the schools within the Anglian Learning community.

For parents, this includes details about Assessment, Homework, Attendance, Rewards, Behaviour, Cashless Catering and much more, provided through a mobile friendly portal.

The screenshot shows the login interface for the Anglian Learning Intranet System. At the top is the logo. Below it are two radio buttons: "THIS IS A PUBLIC OR SHARED COMPUTER" (selected) and "THIS IS A PRIVATE COMPUTER". There are input fields for "USERNAME" (containing "bvc.p12345") and "PASSWORD" (masked with dots). A "Login" button is at the bottom, with a link "To reset your parent password, please [click here](#)."

To Log into ALIS

Step 1

In your chosen browser, visit the website

<https://parents.anglianlearning.org>

Step 2

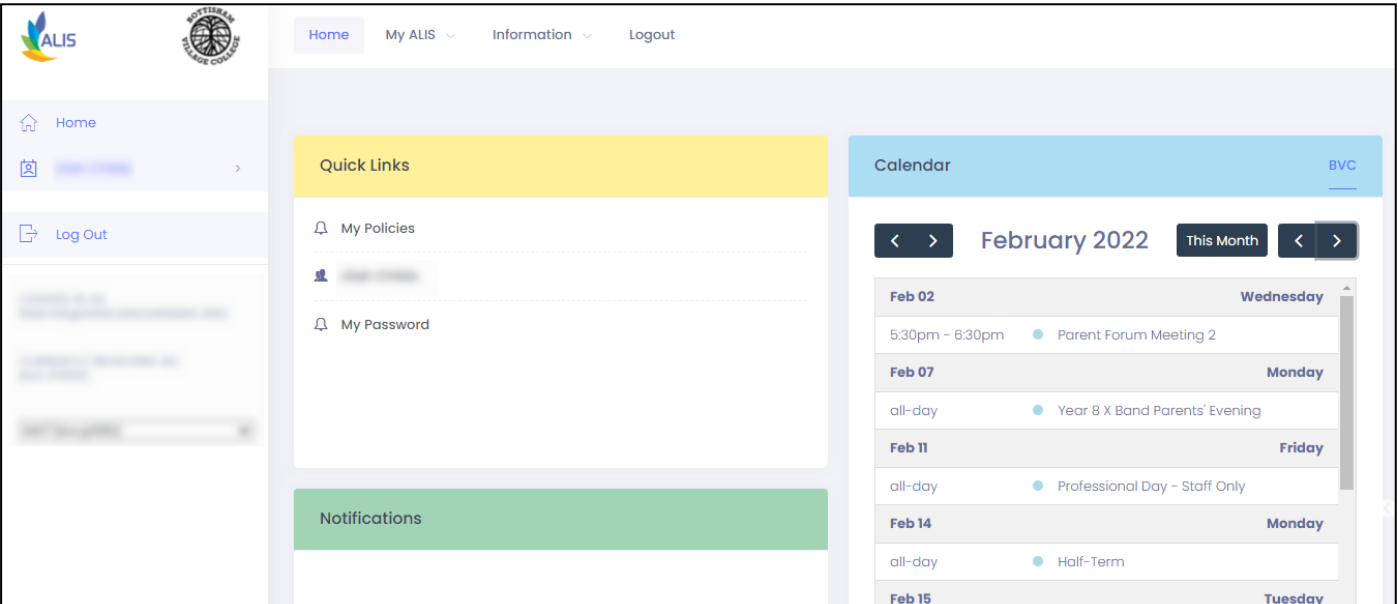

Log in using your ALIS account, which will start with a school prefix e.g. "bvc.", followed with a "p" then a number, e.g. **bvc.p12345**. This username should have arrived with you in a letter during the registration process, described on page 3 of this document.

Step 3

Press Login.

Step 4

Once inside, use the left and top menus (desktop) or two context menus (mobile) to navigate through the system. The first Quick Links box provides a shortcut to each student to whom the system knows you have a link.

The screenshot shows the parent portal dashboard. The top navigation bar includes "Home", "My ALIS", "Information", and "Logout". The left sidebar has "Home", "Log Out", and a list of student names. The main content area features a "Quick Links" section with "My Policies" and "My Password". A "Calendar" section on the right shows events for February 2022, including "Parent Forum Meeting 2" on Feb 02, "Year 8 X Band Parents' Evening" on Feb 07, "Professional Day - Staff Only" on Feb 11, and "Half-Term" on Feb 14.

The attendance page contains details of your child's attendance for each term, including the number and type of any absence, for example, school closure or illness.

Attendance Summary 90.54%

Session Marks (Whole Year)

● Present ● Illness

Attendance Summary

Possible Sessions	Count
Attendances	135
Late (Before Register Closed)	0
Authorised Educational Activity	0
Authorised Absence	14
Unauthorised Absence	0

Code Description

- All should attend / No mark recorded
- # Planned whole or partial school closure

10:30am					

Registering to use the system

The validation process only needs to be done once, so once your account is validated, there is no need to complete this process again. Parent Intranet users normally have accounts active as long as there is a student at the school for whom they are responsible.

1. Register your email address with the school

This may be done as part of the admissions process, when the student joins the school, or later on by contacting the school.

2. You will receive a letter in the post

The letter will introduce you to the system and inform you of your username, which will be used later to log on with. You will also be given a Letter Code. This is used to validate your account and prove residence at the address provided.

3. You will receive an email

This contains a link, which when followed will take you to the next step, by opening up an internet browser window. This step proves ownership of the email account you have registered.

4. Validate your account online

Once you have read the on-screen guidance, you are invited to enter the Letter Code, which is to be found on the printed letter, delivered in step 2. Then, click 'Validate'.

5. Your password is sent by email

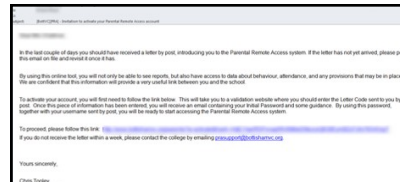

Your Initial Password is sent to you by email. Make a note of it or copy it to the clip board and then click on the link provided.

6. You may now log in

The username can be found on the printed letter, delivered in step 2. The password was delivered by email, in step 5.

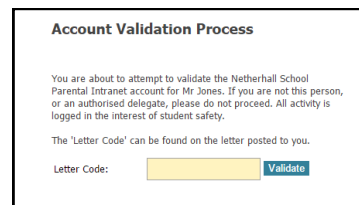

Note: The email delivery steps of this process should take no longer than 10 minutes to arrive. Should you find yourself waiting for over an hour, please do contact us by emailing the Technical Services Team at: prasupport@bottishamvc.org.
