May 2022

Dear Parent/Carer,

It is with great pleasure that we are now in a position to invite our community back into the college. After almost 2 years, our Year 9 Parental Information Evening on **Monday 23 May at 6.00pm** will be the first in-person event since your child was in year 7.

In truth, we cannot wait to meet you all again after such a long time.

The evening will contain the following:

- A welcome from our principal, Mrs Rankine
- A Timeline of Events, presented by our Year 9 Head of Learning, Miss Goldman Roberts
- Life in the BVC Upper School, presented by our Deputy Principal and Head of Upper School, Mr Compton
- How to support your child's learning, presented by Assistant Principal, Mr Burgess
- An informal opportunity to talk with members of the Year 9 team and socialise with other parents and carers

If you wish to come to the event, please do the following:

- Arrive at the college, parking in the bus bays
- Please make your way to The Evans Auditorium
- The formal part of the evening will be no more than an hour, with refreshments served afterwards in our canteen until 7.30pm

Given this is the first event for months, we are expecting demand to be high. With that in mind, **we need to restrict numbers to a maximum of 2 per family**. In assemblies and form times during this time, we shall be repeating the same messages to students.

If you'd like to attend the event, please can you fill in the form linked below and click "submit".

Genuinely, we are very excited and looking forward to the evening immensely.

The Year 9 Team
