

Bottisham Village College

Achievement through Inspiring, Caring, Enriching

Results 2022 Press Statement

Having undergone two periods of lockdown during the pandemic, the first when in year 9 and the second at the start of their GCSE studies in year 10, we'd like to congratulate our Class of 2022 on their impressive set of results and wish them the very best for the next stage of their journeys, wherever these may be.

Jenny Rankine, Principal of the college had this to say:

“Admired and respected by the Bottisham staff and governors, this group of students have demonstrated enviable qualities these past few years: resilience, hard-work, and a positive attitude towards their education and I am truly delighted that they have been able to choose a greater variety of further education routes appropriate to their interests and skills. They absolutely deserve these results, and they will, I am sure, go from strength to strength in the future.

As always, we would like to thank our parents and carers for working with us so closely and hope that they enjoy celebrations today!

BVC students leave us for an array of post-16 opportunities: apprenticeships, A-Levels, BTECs and more. As ever an overwhelming proportion of our students are now following the pathway of their choice and we wish them all the best for the future.
