Combined Scientists

Maths	English	Science	Geo/Hi	Option 1	Option 2	Option 3	PE	PHSE
7	8	9	5	5	5	5	4	2

Separate Scientists

Maths	English	Physics	Biology	Chem	Option 1	Option 2	Option 3	PE	PHSE
7	8	5	5	5	5	5	5	4	2

Algorithm

[al-gə-ri-thəm]

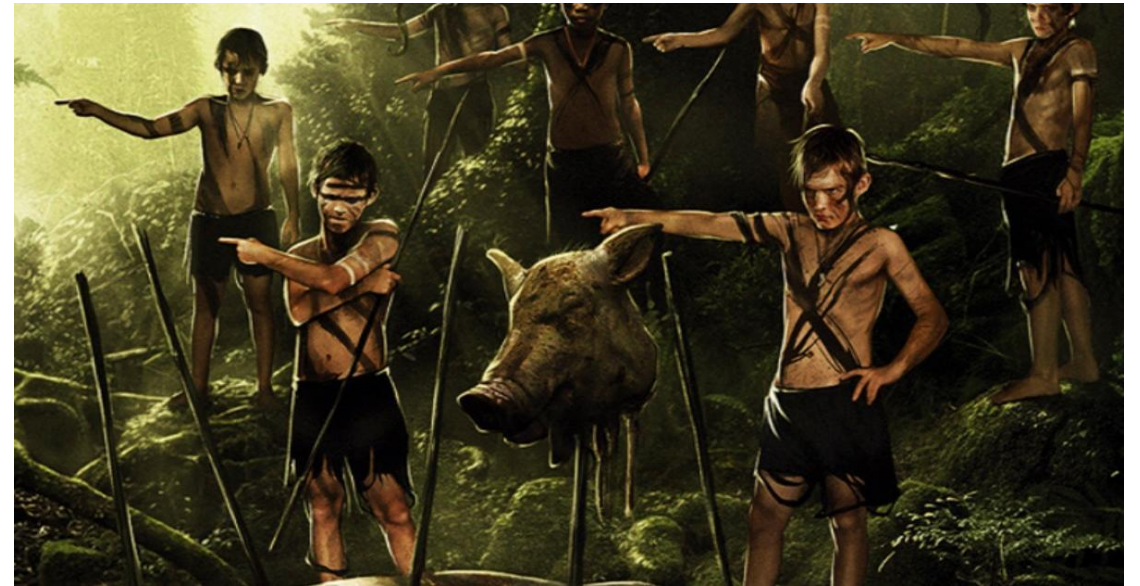

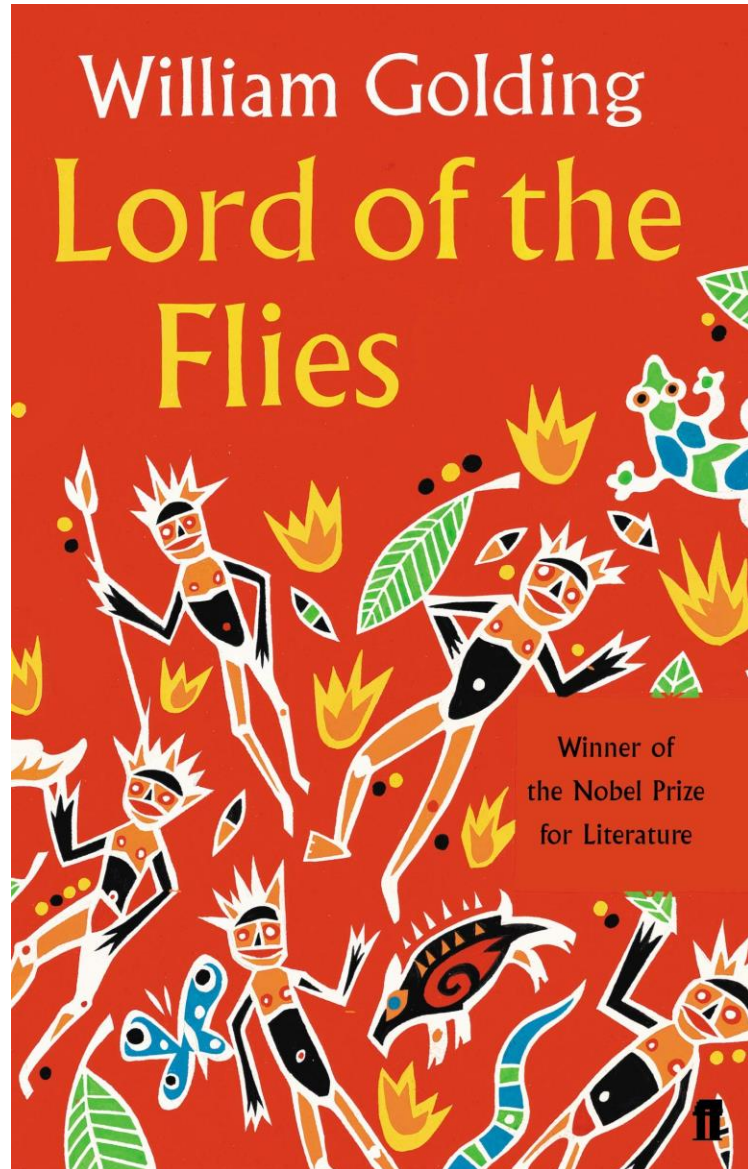

A set of instructions for solving a problem or accomplishing a task.

x	y
1	2
2	4
3	6
4	8

y results from *x*
being **multiplied**
by 2, or $y = 2x$

x	y
1	3
2	4
3	5
4	6

y results from 2
being **added** to *x*,
or $y = x + 2$

PROBABILITY OF THE 1 EVENT \times PROBABILITY OF THE 2 EVENT $\times \dots =$ PROBABILITY OF MULTIPLE EVENTS

 $\frac{1}{6} \times \frac{1}{6} = \frac{1}{36} = 2,7 \%$

 $\frac{13}{52} \times \frac{12}{51} = \frac{12}{204} = 5,8 \%$

 $\frac{5}{20} \times \frac{4}{19} \times \frac{11}{18} = \frac{44}{1368} = 3,2 \%$

Seneca Learning is the U.K.'s most popular revision app for middle and high school students with more than 2.5 million users in England alone.

What is Seneca?

An online platform that guides students to consolidate and learn vital knowledge.

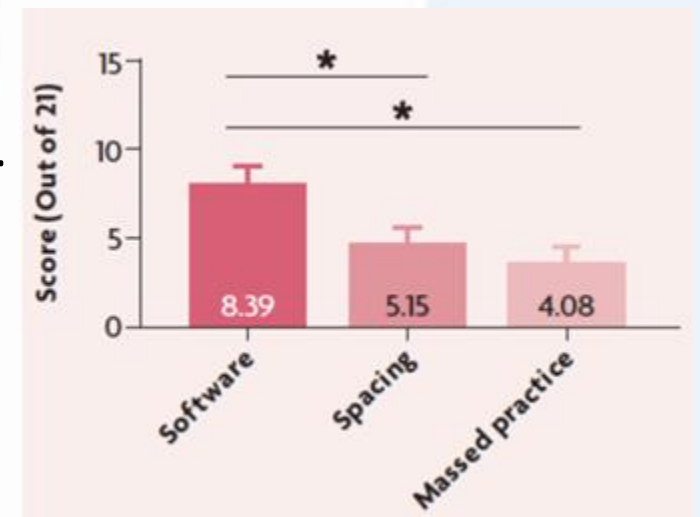

How does Seneca work?

Four learning strategies: retrieval, interleaving, spacing and visual cues.

Adaptative – students read/watch some revision information and then answer questions about it. If a student gets a question wrong, it will show the content again but in a different format.

Why Seneca?

Smart learning algorithms are proven to make you **remember topics better**.
