September 2023

Dear Parent/Carer

Parent Forum

Summary of Actions	Deadline
Register your interest to join Parent Forum (if interested).	Friday 29 September

Research has shown that strong partnerships between home and school can have a significant positive impact on wellbeing, attendance, academic progress and behaviour. At Bottisham Village College, we are committed to working alongside parents to achieve the best possible outcomes for our students.

Our active Parent Forum has the following aims:

- to inform parents of changes to school systems and policies, and seek their feedback
- to discuss issues that are causing concern to parents and, where possible, address these issues
- to allow parents the opportunity to discuss new ideas that will bring benefit to the students or the wider school community
- to establish how we can strengthen the link between learning at school and at home

We are looking for parents with the following skills and qualities to join the forum:

- Team players – working together effectively with other parents and staff
- Reflective – an ability to consider the impact of change and suggest solutions to problems
- Whole school perspective – an ability to consider the big picture and want to improve outcomes for all students
- Committed – time and a desire to attend half-termly meetings

If you wish to register an interest in joining the parent forum, or would like more information, please contact me via email (mmerry@bottishamvc.org) by Friday 29 September 2023.

I look forward to hearing from some of you and meeting you in due course.

Yours sincerely

Mr M Merry
Assistant Principal
