We are delighted to inform you of significant updates to our [website at Bottisham Village College](#), focusing on our anti-bullying efforts and student welfare.

### Enhanced Anti-Bullying Section

Our commitment to a safe and inclusive environment at Bottisham Village College has been further strengthened and recognised through an **Anti-Bullying Accreditation** by the Anti-Bullying Alliance. These developments are reflected in the updated sections of our website, which include:

- **Our Proactive Strategies:** Detailing how we foster a supportive atmosphere for all students.
- **Support Initiatives:** Information on the support available for students affected by bullying, and the critical role families play.
- **Student Empowerment:** Guidance on how students can help create a bullying-free school environment.
- **Online Safety Measures:** Strategies for addressing online bullying and ensuring safe internet use.

### Reporting Concerns and Incidents

To facilitate the reporting of welfare concerns or incidents:

- **For Parents:** If you have any concerns about a child's welfare, including issues related to bullying, please use our [Child Welfare Concern Form](#). In emergencies or serious risk scenarios, please contact the police on 999 or refer directly to children's social care ([Cambridgeshire Social Care Referral Form](#) | [Suffolk Children's Social Care](#)).
- **For Students:** Students can report incidents using a dedicated form on the website, accessible with their school Google account. [Report an Incident](#).

Additionally, you can view our detailed [Anti-Bullying Policy Summer 2023](#) for a comprehensive understanding of our approach and measures.

We encourage you to visit these sections to understand better how we are dedicated to maintaining a safe, respectful, and supportive learning environment at Bottisham Village College.

Yours sincerely,

**Mr D Fullman**  
Deputy Principal
