On Friday 9 February, the Library and English Faculty have invited the writer, Julian Sedgwick, an author of young-adult fiction, to speak to Year 7 about his latest book "**100 Tales of the Tokyo Ghost Café**" and his 2021 novel "**Tsunami Girl**".

Julian Sedgwick has visited us over the past two years and delivered presentations on Tsunami Girl; therefore, we can assure you that his talk will be an inspiring and enriching experience that promotes reading for pleasure; a key message that forms part of the culture of the college.

Should you wish to buy a copy of one or both books for your child to read, these can be ordered via Wisepay at a discounted price of £6.60 (100 Tales of the Tokyo Ghost Café) and £6.00 (Tsunami Girl). Although you are welcome to buy one or both books, the two books do serve as 'companions' for each other.

Please note: the last date to order books is **Wednesday 24 January 2024**.

In addition, to add a spark to the experience, we will also be providing an exciting opportunity for students, who have a copy of the book, to have their copy signed by the author. This includes books of Julian's that your child might already have.

Yours sincerely,

Mr B Ricketts
Librarian Co-Ordinator
