We cannot express how important it is that all students are involved in enrichment in some capacity. We have an extensive range of clubs, activities and master classes being run this term, taking place at lunchtime or after school.

These are fantastic opportunities and enable students to:

- develop new skills, gain experiences, and challenge themselves
- further participate in lots of different areas of interest and strength
- socialise and meet with others across different year groups who have similar interests develop life skills by working collaboratively and engaging in problem solving and presenting
- contribute towards their 'My Bottisham Experience' record and become an enrichment champion

Most clubs from the Autumn term are continuing into the Spring term.

We are requesting new sign up for the new term regardless of attendance last term.

All extra-curricular clubs and activities will commence the week beginning **Monday 15 January 2023**, with the exception of the Enrichment evening (this date will be communicated at a later date).
