Dear Parent/Carer

Pathways to the Future

Summary of Actions	Deadline
Virtual Pathways to the Future Parent Information Evening	N/A

As you will be aware from my previous letter, Year 9 students are about to enter an exciting phase of their educational career: For the first time they will have the opportunity to select some of the subjects that they will study.

We would like to invite you to join us for a live information evening on **Tuesday 23 January, 6.00pm-7.00pm** via Microsoft Teams. During this evening, we will be providing an overview of the Pathways to the Future process, and the subjects and courses that we offer from the beginning of Year 10. Our aim for this evening is to provide you with the information and resources you need to support your child's education, as well as to give you an opportunity to ask any questions you may have.

To join the session, please use the following [link](#). This link will take you to a registration page. Please register for the event and you will then be emailed the link that you will need to join the event on Tuesday 23 January, 6.00pm. If you are unable to join us at the scheduled time, a recording of the session will be made available to you afterwards. If you have not used teams yet, please download the Teams apps before the event, it may take a few minutes to download and install, it is recommended to do this before the event starts.

Following this information evening, you will have the opportunity to engage with a series of videos that provide further details of the courses that we offer. These videos will then remain on our website, allowing you to access them at any point during the process. Please follow this [link](#) to the Year 9 page of our website for further information and to view the videos which will be available from Tuesday 23 January.

We hope that you will be able to join us for this informative evening. If you have any questions or concerns, please do not hesitate to contact us.

Yours sincerely,

Mr E Marshall
Transition Lead
