- Secure
- Exceeding

Bottisham Village College
Achievement through Inspiring, Caring, Enriching

“I’ll just do lots of revision before the exams”

“I am rubbish at that subject”

“I don’t need that subject”

“I only need English and maths”

What can I do to be successful at school?

“The most successful people at school are the ones who are naturally gifted”.

How can my child be successful at school?

- What is success?
- Learning from Year 11
- ✓ Punctuality
- ✓ Building relationship with teacher
- ✓ Asking for help and being determined
- ✓ Completing all homework
- ✓ Contacting teachers to catch up when absent
- ✓ Planning and carrying out extra revision at home

Preparing for mock exams

- ✓ Teachers will tell students **what** they need to revise and will give guidance about **how** to revise.
- ✓ We suggest that students spend at least 30 minutes per subject per week *in addition to homework*.
- ✓ Students need to plan **when and where** you will revise.

How can I support as a parent?

- Helping them establish good study habits (quiet place to work, daily routine)
- Looking at target grades (when released) and discussing what they can do to achieve or exceed them
- Encouraging them to plan and stick to a revision schedule
- Talk to them about their revision (getting involved if you are able)
- Emotional support
- Contacting us if you have any questions or concerns

Any questions?

We will respond to some of the questions asked during the presentation.
