Dear Parents/Carers

We are very pleased with the response from Year 9 students towards the Pathways to the future process.

All students have received a physical copy of the booklet. It has come to my attention that the history assessment on page 12 does not reflect the new course which is being introduced. Therefore, the correct assessment details for history should be:

Paper 1: British history (Migration and Elizabethans) 40%

Paper 2: History around us 20%

Paper 3: World history (Viking expansion and Living under Nazi Rule) 40%

A reminder that the course videos, booklet and parent information evening can be found on;

Yours sincerely
