Dear Parents/Carers

## Safety and Well-being of our Students

Summary of action(s) required	Dates
Please read information below.	ASAP

As we continue to strive for the safety and well-being of our students and the surrounding community, I would like to address an important matter regarding the drop-off and pick-up routines at Bottisham Village College.

To ensure a smoother and safer process for everyone, we kindly **request that all parents and carers utilise the Sports Centre entrance when dropping off or picking up their children.** This request is made to alleviate congestion and minimise disruptions for the Council's Locality services that utilise the other entrance. It is also a measure to decrease the risk of accidents involving our students and other vehicles.

We have observed that parking on the road near the school premises often leads to congestion, affecting not only our students' safety but also the flow of traffic through the village. Therefore, **we urge you to avoid parking on the road and to drive considerably at all times in the vicinity of the school.**

In addition, we are committed to promoting environmentally friendly practices within our school community. To this end, we encourage all students, where possible, to use more sustainable modes of transport to get to and from school. Whether it be walking, cycling, or carpooling, every small effort contributes to a healthier environment and reduces traffic congestion around the school.

We understand that mornings and afternoons can be particularly hectic, and we appreciate your cooperation and commitment to making our school a safer place for everyone. Your support in adhering to these requests is invaluable, and we thank you in advance for your understanding and cooperation.

Should you have any concerns or require further clarification, please do not hesitate to get in touch with the school office.

Thank you for your attention to this matter and for your ongoing support of Bottisham Village College.

Yours sincerely,

**Mr D Fullman**  
**Deputy Principal**
