

THE LIBRARY NEWSLETTER

ENRICHING YOUR
READING EXPERIENCES

Welcome to the Bottisham Village College Library Newsletter!

Reading for Pleasure is a key part of our culture in our school. Once a term, library newsletters are going to be created to celebrate achievements in our community's reading and to share with you the latest library news and events.

In this edition, you can discover the top 10 students with the highest SRP last half term, a big cheer to Year 7 settling into the library, plus the term's themes: "Banned Books" (n.b. they're not banned, just challenged over time - a great way to read books in a new light!) and Black History Month. On page 3, to end this edition, we are showcasing some (very) short stories (up to 12 words) - an activity followed up from open-evening that we carried on into library lessons to celebrate some of our community's creative writing skills!
