May 2026

Dear Parent/Carer

Year 10 Virtual Parents' Evening (Y Band)

Summary of Actions	Deadline
Review Progress Data and Learning Journey Books	21 May 2026
Make Parent Evening Appointments	21 May 2026

I would like to remind you of our Virtual Parents' Evening on **Thursday 21 May 2026**. This is an important opportunity to discuss your child's progress with their class teachers. We encourage and recommend that students attend with their parents.

Prior to the evening itself, there are other measures in place to ensure that parents, carers and students are fully informed about progress at the college:

Progress Data

All the results, targets and a breakdown of each exam will be available through Go4Schools from before this event. This means both you and your child can see what areas of the course they need to focus on and celebrate where they have been successful.

Appointments can be made from **13 May from 5.00pm** and will close on **21 May at 12.00pm**. Should you wish to make any changes after this time please contact the school office. We'd advise taking some brief notes during the session and arriving with any questions that arise from looking at students' books and their progress data.

Please visit <https://bottishamvc.parentseveningsystem.co.uk> to book your appointments, logging in with the following information:

- Your title, first name and surname
- Your email address registered with the school
- Your child's first name, surname and date of birth

Please find link below for support and how to attend the virtual evenings.

<https://support.parentseveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>

Should you have any queries please do not hesitate to contact bgreig@bottishamvc.org

We look forward to welcoming you and your child to this important evening.
