Dear Parent/Carer

Post-16 Information Evening

Summary of Actions	Deadline
Attend the Post 16 Evening.	Monday 5 October at 6.00pm.

We are delighted to invite you to our **Post-16 Information Evening on Monday 5 October at 6.00pm.**

This is an important event to support our Year 11 students as they consider and prepare for the next stage of their education.

During the evening, parents and carers will receive information about the range of post-16 options available, as well as guidance on the application process. Representatives from a variety of post-16 providers will also be available to speak with students and answer any questions they might have.

The evening will follow this format:

- **6.00pm arrival:** Parents, carers and students should arrive for a 6.00pm start and park in the college bus bays. **Students do not need to wear school uniform** for the evening.
- **Students:** Students should make their way directly to the Dining Hall, where they will be welcomed and have the opportunity to meet representatives from a range of post-16 providers.
- **Parents and carers:** Parents and carers should make their way to the Evans Auditorium, where they will receive information about the post-16 application process in a talk from Mr Blewitt and Mr Gee
- **After the presentation:** Parents and carers can then join their students in the Dining Hall to speak with providers and explore the available options together.

We encourage students to come prepared with a list of questions and, ideally, to have done some initial research into the institutions and courses they may be interested in. Students will have completed some preparatory work on these areas with their tutors as part of PSHE.

We hope that the evening will provide students and their families with useful information and the opportunity to ask questions as they begin to make decisions about their next steps.

We look forward to welcoming you on Monday 5 October.

Yours sincerely,

Year 11 Team
Bottisham Village College
