A very warm welcome to Bottisham Village College and to all the families joining our community this year.

Friends of Bottisham Village College (BVC Friends) is the school's PTA and registered charity. We work closely with staff and students to raise additional funds that directly benefit our young people. Every pound raised helps provide extra resources, equipment, hardship fund support, enrichment opportunities, camps and activities that enhance the experience of every student at BVC.

As we begin a new school year, we are looking forward to an exciting programme of events and fundraising activities. Whether you can spare half an hour at an event, donate a raffle prize, share ideas, or simply attend our activities, your support makes a real difference. Many hands truly do make light work.
